Claim 35, line 2, after "without" insert --increasing the width or--.

Claim 43, line 11, after "not" insert --increase the width or--.

<u>Remarks</u>

The above amendments present no new matter and provide

Applicants with a broader scope of claim coverage to which Applicants

are deemed entitled to in view of the lack of prior art which fails

to teach the claimed subject matter.

Date: 4-10-00

Respectfully submitted,

L. E. Carnahan
